Dear Committee Members,

I am writing today to oppose HB No 6656 "An act concerning liability insurance for firearm possessors or owners".

I am against requiring people to maintain excess personal liability insurance and self defense insurance. It is an undue burden on firearm owners. I feel that existing liability insurance on homeowner\renter's insurance policies would cover justified self defense shootings.

Any criminal act would not be covered by insurance and costs could be recouped through civil\criminal lawsuits. I don't feel any new insurance should be required to cover this.

Thank you,

Michael Phelps
